GENERAL SECRETARY
23 SEP 1941

Sir,

Subject -Appointment of clerk in the Municipal High School at Chintamani

In forwarding herewith a copy of report No T 470/41-42 dated 30-8-1941 from the Head Master, Municipal High School, Chintamani, together with a copy of resolution No 3 dated 16-8-1941, of the Managing Committee of the School on the above subject, I have the honour to state as follows -

The sanctioned scale of clerk in the High School is ₹ 20/- per month fixed, as per Government Order No L 3530-47/M1 47-34-25 dated 16-11-1934 and the appointments are being made from among the candidates assigned by the Central Recruitment Board to the unit of the Office of the Deputy Commissioner, Kolar District for Class II vacancies

Since this is one of the posts carrying the lowest salary for purposes of recruitment, the person recruited to the post has to wait only for a short time before he gets his chance in the higher grade vacancies on ₹ 20-1-25 or ₹ 25-1-40 prevailing in the Revenue Department under the control of the Deputy Commissioner This results in change of hands at too frequent intervals of 2 or three months according as vacancies occur in the higher grade Such frequent transfers of officials appointed to the post of clerk in the High School is reported to be causing considerable strain on the office and dislocation of work There is only one clerk in that office and if that clerk were to be so frequently changed as is being done at present it would be practically impossible for the Head Master to get through the work of the office especially in view of the fact that the Chintamani Municipal High School is a large and growing insti-

p t o

institution

To obviate the ~~xxx~~ difficulty, the Head Master suggested that the scale of pay of the clerk should be revised to Rs 25-1-40/- so as to correspond with the scale prevailing for clerks in the Revenue Department, so that an official appointed as clerk in the High School may continue there alone without jeopardising his legitimate claims for promotion along with officials of the Revenue Department The suggestion of the Head Master was placed before the Managing Committee at their meeting held on 16-8-1941 and they have resolved after due consideration that, instead of incurring additional expenditure by revising the scale, one H Narayana Murthy, a peon of the High School, may be appointed as clerk on Rs 20/- per month

It is reported that Narayana Murthy passed his S S L C Examination from the same School and has also passed the Senior Typewriting Examination He has been in the service of the Institution from the past three years and has also acted as clerk on several occasions when the post of clerk was vacant owing to frequent changes as stated above The Head Master is quite satisfied with his work and recommends that he may be appointed as clerk from 9-6-1941, from which date he has been acting as such on ~~the~~ ~~xxx~~ relief of K M Thimmarayappa

In the above circumstances stated above I request that you will be so good as to obtain sanction of Government to the resolution of the Managing Committee in the matter

Letter No T 470/41-42 dated, Chintamani 30th August 1941 from the Head Master, Municipal High School, Chintamani to the Secretary, Municipal High School Committee, Chintamani

---

With reference to Resolution No 3 dated 16-8-1941 of the Managing Committee, I have the honour to request you, to be so good, as kindly to obtain the sanction of Government, for the appointment, in view of the following facts -

The appointment of the clerk of this institution, was being made, from the list for II class vacancies in the Unit of the Deputy Commissioner, Kolar Since the appointments had to be made, in serial order, a person higher up in the list, used to be posted to this institution, as against a junior, who would be posted to a vacancy in the Revenue, Excise or other department, under the control of the Deputy Commissioner The sanctioned scale of Establishment for the clerk of this institution, being Rs 20/- fixed, as against 25-1-40, in the Revenue Department, the person who was appointed as clerk in this institution, suffered an initial loss of Rs 5/- per mensem in his - salary, as compared with his junior, who was lucky enough to get a start, in the Revenue Department Further, since absorption of these probationary clerks, in the regular cadre, is also made in the serial order, every clerk who was appointed as such, in this institution, had only to bide his time, to get a transfer Further, the service in this institution being non-pensionable, the appointment of a clerk from the pensionable establishment was an anomaly

The too frequent transfers of the clerks of this institution, within the past three years, put a considerable strain on this office, besides causing considerable dislocation of work, at too frequent intervals Further, the person who was appointed as clerk of this institution had to suffer a loss of salary of Rs 5/- per mensem, for no fault of his own, as compared with his junior in the list And further, each clerk who was appointed, being quite sure of his transfer, evinced little interest in acquainting himself, with the rules and circulars of the Education Department and even if he did so, his successor had to begin the same work, again

Taking all these facts into consideration, I submitted a proposal in this office No T 79/41-42 dated 12th June 1941, requesting, that the scale of the stablishment for the clerk in this institution, be revised

p t o

revised from P 20/- fixed to 25-1-40, so as to be in conformity with the scale of in the Revenue Department, so that, persons posted to this institution, might not suffer any personal loss, by remaining in this institution Further, it was felt, that when the sdale was so, revised, the need for too frequent transfers, would be avoided and the the work of this office, considerably facilitated This reference was considered by the Managing Committee on 16-8-1941

The Committee felt, that, the revision of the scale, would increase their financial commitment, without adequately facilitating the work of thes office They felt, that, a permanent clerk on R. 20/- would better serve the purpose, without increasing their financial commitment They also noticed, that two persons who were posted recently, had not joined duty A lapse of more than two months had occurred since the clerk's post fell vacant

Taking all these facts into consideration, the committee felt, that by absorbing H Narayana Murthy, peon of this school, who is an S S I C with Senior Typewriting qualification, and who has been serving this institution, faithfully, for the past three years and who has shown evidence of his ability to discharge the clerical duties of this office, during the periods when he was entrusted of with the work, (viz , from 7-10-1938 to 31-1-1939 and from 9-6-1941 up to date), as clerk of this institution, on R. 20/- per mensem, the present inconvenience could be avoided, without increasing their firercial commitment

They accordingly resolved, that "H Narayana Murthy, S S I C with Senior Typewriting qualification, be appointed, as clerk on P 20/- per mensem, special sanction of Government being obtained for the appointment"

In the light of the foregoing facts, I request you to be so good asxxx kindly to arrange, to obtain sanction of Government for the appointment,,from 9-6-1941 the date from which H Narayana Murthy was directed to act as clerk, on the relief of K M Thimmarayappa

I may be permitted to bring to your kind notice, in this connection, that the above arrangement was reported to the Deputy Com-

4

Corrissioner-President in this office I o T 68/41-42 dated 10th June 1941 and that the President has been kind enough, to communicate his approval of the arrangement, as a terporary measure, in his No M 3 3524/40-41 dated 23-7-1941

Subject No 3

Regarding the revision of scale of the clerk of the High School, from Rs 20/- to 25-1-40, as the existing scale of Rs 20/- is disadvantageous both to the clerk employed in this school as well as to the office, as the clerk so employed would be taken to Revenue Department in a short period on promotion in the scale of Rs 25-1-40

Resolution

" The Committee consider that in view of the fact that there has been no clerk since the last two months, as two candidates appointed from the C R B list have not joined duty, H Narayana Murthy, peon in the school but who has passed his S.S L C examination and Typewriting Senior, and who has been very good in his work as Laboratory Attender may be appointed as clerk on Rs 20/- P M Special sanction of Government being obtained to his appointment"

Sir,

Subject - Regarding the proposal made by the Deputy Commissioner, Kolar to appoint one H.Narayanamurthy, a peon in the - Municipal High School, Chintamani as a clerk on Rs 20/- per mensem in the same school

With reference to your letter No L.4401 dated 25th November 1941 forwarding for my remarks a copy of letter No A5-C 671 of 41-42 dated 18th September 1941, together with copies of its enclosures, from the Deputy Commissioner, Kolar in the above matter, I have the honour to state that as per paras 14 and 24 of the rules governing Municipal High Schools and their committees, all appointments to superior service in Municipal High Schools should ordinarily be made in accordance with the rules of recruitment issued by the Department as well as Government It follows therefore that, in the absence of separate classification and assignment of candidates for vacancies of clerks of Municipal High Schools the vacancies have to be filled up by advertisement But the Deputy Commissioner states that the appointments of clerks to this school are being made from among the candidates assigned by the Central Recruitment Board to the Unit of the Deputy Commissioner, Kolar District It is not clear whether this is correct and if the same procedure is followed by the heads of other Municipal High Schools.
